EDITORIAL

It gives very soothing feeling that **Shodh Drishti** has entered 16th years of its academic journey from the time of its inception. It has faced lots of challenges during this journey.

The aim of this journal is to provide a platform for researchers, practitioners, academicians and professionals from different domains of Society & Education to share innovative research achievements and practical experiences to stimulate scholarly debate in the development of Education.

‘Building Long Lasting Relationships’ is the ultimate purpose of **Shodh Drishti** Journal. We are not for profit research organization. As beginner, we will make every effort to be the best in field of Empirical & Scientific Research. It will be our consistent effort to increase impact and the overall quality of our journal. In times to come, we want to attract more and higher- quality submissions. In the spirit of continuous improvement, constructive inputs and critical reviews are welcome.

We are also looking for associations with different institutions, colleges and universities to assist them in getting papers published presented during conferences and seminars, consultancies and project work. We are intended to provide maximum exposure to our authors and their articles both at corporate and academic levels, nationally and internationally. I am sure joint efforts of all of us will make our task easier to achieve the heights of new successes in the field of research.

The editorial board of the journal has invested their utmost efforts to make the journal as smart and scientific as possible. No stone remains unturned for the perfection of the every issue of the

journal. In spite of the sincerest efforts, some errors or mistakes may be noticed. Any constructive suggestion regarding the development of the journal in future is always welcomed.

Hope to give new and latest development in the next issue.

With best wishes.

Yours truly
